Notice of seizure and notice of your right to a hearing

Amount due immediately: \$5,947.81

We still haven't received full payment of your federal employment taxes. We have issued a notice of seizure (levy) to collect your unpaid federal taxes.

We determined you are not entitled to a pre-levy hearing because you (or your predecessor) previously requested a Collection Due Process hearing under Internal Revenue Code section 6330. Your previous request included an employment tax period that fell within the two-year period that ended with the beginning of the period shown on this notice. However, you can appeal the seizure (levy) of your assets by requesting a Collection Due Process hearing (Internal Revenue Code Section 6330) by **February 22, 2018**.

About Federal Tax Liens

The tax lien is a claim against all of your property that arises once you have not paid your bill. If you don't pay the amount due or call us to make payment arrangements, we can file a Notice of Federal Tax Lien at any time, if we haven't already done so. The Notice of Federal Tax Lien publically notifies your creditors that the IRS has a lien (or claim) against all your property, including property acquired by you after the Notice of Federal Tax Lien is filed. Once the lien's notice to creditors has been filed, it may appear on your credit report and may harm your credit rating or make it difficult for you to get credit (such as a loan or credit card).

Penalties

We are required by law to charge any applicable penalties.

Failure-to-pay

We assess a 1/2% monthly penalty for not paying the tax you owe by the due date. We base the monthly penalty for paying late on the net unpaid tax at the beginning of each penalty month following the payment due date for that tax. This penalty applies even if you filed the return on time.

We charge the penalty for each month or part of a month the payment is late; however, the penalty can't be more than 25% in total.

- The due date for payment of the tax shown on a return generally is the return due date, without regard to extensions.
- The due date for paying increases in tax is within 21 days of the date of our notice demanding payment (10 business days if the amount in the notice is \$100,000 or more).

If we issue a Notice of Intent to Levy and you don't pay the balance due within 10 days of the date of the notice, the penalty for paying late increases to 1% per month.

For individuals who filed on time, the penalty decreases to 1/4% per month while an approved installment agreement with the IRS is in effect for payment of that tax. (Internal Revenue Code Section 6651)

For a detailed computation of the penalty call 1-800-xxx-xxxx.

Removal or reduction of penalties

We understand that circumstances—such as serious illness or injury, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

**Removal or reduction of penalties-
continued**

We can generally process your request for penalty removal or reduction quicker if you contact us at the number listed above with the following information:

- Identify which penalty charges you would like us to reconsider (e.g., 2016 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.

If you write us, include a signed statement and supporting documentation for penalty abatement request.

We'll review your statement and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty.

**Removal of penalties due to erroneous
written advice from the IRS**

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- You wrote us asking for written advice on a specific issue
- You gave us adequate and accurate information
- You received written advice from us
- You reasonably relied on our written advice and were penalized based on that advice

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the address shown above. For a copy of the form, go to www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601)

For a detailed calculation of your interest, call 1-800-xxx-xxxx.

Corporate Interest – We charge additional interest of 2% if, according to our records, you didn't make your corporate tax payment within 30 days after the IRS notified you of the underpayment of tax. This interest begins on the 31st day after we notify you of the underpayment on tax amounts you owe over \$100,000, minus your timely payments and credits.
